**THE MORNING CALL NAMES BROWN & BROWN LEHIGH VALLEY
A WINNER OF THE LEHIGH VALLEY TOP WORKPLACES 2019 AWARD**

Bethlehem, PA; February 7, 2019 – Brown & Brown of Lehigh Valley has been awarded a Top Workplaces 2019 honor by The Morning Call. The list is based solely on employee feedback gathered through a third-party survey administered by research partner [Energage](#), LLC, a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

“Top Workplaces is more than just recognition,” said [Doug Claffey](#), CEO of Energage. “Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

“Becoming a Top Workplace isn’t something organizations can buy,” Claffey said. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”
